

Cracking Big Rocks

Whether you're a coach, a leader, a manager or simply someone who wants to solve problems, we believe you'll find value from our "Big Rock" coaching cards.

Each deck contains 45 simple thinking patterns designed for anyone who faces challenges or hurdles in their professional or personal lives.

Framing The Problem

Getting Started

Keeping Rolling

Saving Progress

Pitfalls & Traps

Will you work through the five different suits in a structured game, find a pattern that resonates with you, or pick a Card at random?

However you choose to use them, share your experiences online...
